## Pennsylvania Harness Racing

Horse racing has been part of Pennsylvania's legacy since the days of William Penn. The love of horses and racing lives on today in many Pennsylvania towns that are home to a straight, flat avenue known today as "Race Street." The tradition itself plays out on dirt tracks across the state at venues varied enough to suit any race fan's taste, including the homespun tracks of the fair circuit.

Thanks to the work of industry stakeholders, legislators, and staff at the commission and Pennsylvania Department of Agriculture, recent modernizations to laws governing racing and its governance structures have better-equipped Pennsylvania to meet the modern needs of both Thoroughbred and Standardbred horse racing.

The Pennsylvania State Horse Racing Commission's Bureau of Standardbred Horse Racing administers fair harness racing as well as racing at Pennsylvania's three harness racing tracks, ensuring the fairness and legality of the sport. See you at the races!

## Pennsylvania Harness Racing Rules

All participants in Pennsylvania fairs and one or two-day harness racing events must be licensed by The State Horse Racing Commission, Bureau of Standardbred Horse Racing. Please contact the Commission office at any PA harness racetrack for application and fees.

No driver will be permitted to drive in a race unless he or she is wearing a protective safety helmet of a type satisfactory to the commission constructed with a hard shell, and containing adequate padding and an adequate chin strap in place, as specified in United States Trotting Association rule 17, sec. 12. Any person not complying with these directives will be subject to a fine and/or suspension.

Helmets must be manufactured in compliance with the 1984 Snell "H" Harness Racing Standards or the Department of Transportation 218 Standard. This directive is applicable to all persons in Pennsylvania while engaging in any harness racing activities sanctioned by the commission. All drivers competing in races should wear safety vests of a rating of five or better, as defined by the British Equestrian Trade Association (BETA), to provide shock-absorbing protection.

In the case of split races, the advertised purse shall be divided equally among the divided races, with entry fees following the horses.

If a race is split in two or more divisions, horses in an entry shall be seeded in separate divisions in which they compete by owners, trainers, or stables, and their post positions shall be drawn by lot. If a trainer owns more than one horse in a race, he cannot drive another horse in the race; he can pick if he owns two or more in a race.

Trainers must have mud gear, to include mud fenders, for use at the discretion of the presiding judge.

The Bureau of Standardbred Horse Racing will collect random blood samples from horses that participate in fair racing. The purpose of sample collection is to maintain and protect the integrity of fair racing in Pennsylvania.

Fair racing judges decisions are final and are not able to be appealed.

Lasix is not permitted at any Pennsylvania fair.

## Harness Racing at Fairs

All fair racing is subject to the rules and regulations of the State Horse Racing Commission Bureau of Standardbred Horse Racing.

Horses for overnights must show a charted line on the declared gait for 2018 with no breaks behind a pari-mutuel track starting gate within 2:15 for trotters and pacers.

The presiding judge, after consulting with horsemen and fair management, has the final word on how many starters and trailers can be raced safely on a track.

Starting fee for overnights is \$25, with declaration to be added to purse. If there are five starters, the overnight purses are split 50-25-12-8-5 for each dash.

Fair management reserves all usual rights and releases from responsibility for accident, fire, theft or any other cause.

Exact order of races on each fair's daily program is determined at the draw, and should be checked.

Any additional or special conditions, in addition to race dates, appear on the page designed for each fair in this edition.

Declaration by telephone must be given to the race secretary's office and shall include:

- Name of horse, color, sex, age
- Name and address of owner, and SSN and EIN
- Name of trainer
- Name of driver
- Name of event in which the horse is being entered
- Name and telephone number of person calling in declaration
- Any other information called for on the declaration blank

To comply with federal IRS regulations, all owners' social security or federal identification numbers must be furnished to the race secretary at time of declaration to start. If you telephone your declaration in, please be sure you have this correct information available.

## 2018 Fair Finals

Preference given to horses with at least five fair starts in 2018, from highest point earners to lowest, with ties broken by Fair Sire Stakes money won, then to horses with fewer than five starts, highest point earners to lowest. Qualifying standards are those of the host track.

## 2018 Fair Equine Health Requirements

1. All Pennsylvania equines must have a Certificate of Veterinary Inspection (CVI) issued after May 1, 2018. Non-Pennsylvania equines must have a Certificate of Veterinary Inspection (CVI) issued within the 30 days prior to the opening date of the exhibition. If an animal comes from a state where Vesicular Stomatitis has been identified, or a bordering state, the CVI shall include a statement verifying that "all animals identified on this certificate of veterinary inspection have been examined and found to be free of VS. During the past 90 days, these animals have neither been exposed to VS nor located within 10 miles of a state where VS has been diagnosed."
2. All animals must be free of infectious and contagious diseases.
3. An Animal Owner or Caretaker's Verification of Veterinarian-Client-Patient Relationship (VCPR) form must accompany each animal and presented upon arrival at the exhibition.
4. All equine animals must test negative for equine infectious anemia (EIA) by an official test within the 12 months prior to the opening date of the exhibition. A copy of the official test results must accompany each animal to its final destination. Foals less than 6 months of age accompanied by a dam that meets the above requirements are exempt from EIA testing requirements. If the foal is not accompanied by the dam, a copy of the dam's test results must accompany the foal to its final destination.
5. A current rabies vaccination administered by a licensed veterinarian is required for animals 3 months of age and older. All vaccine label directions must be followed, and all rabies vaccinated equine animals must either be accompanied by a rabies vaccination certificate or the vaccination information must be included on the CVI. If a rabies vaccination certificate is provided, the certificate must contain a legible name and contact information of the veterinarian who administered the vaccine and his or her signature. A copy of the rabies vaccination certificate is acceptable.
6. If an equine has resided in Texas or New Mexico for a cumulative total of 30 days or more within the 6 months preceding the date of entry into Pennsylvania, that animal must test negative for Piroplasmosis on a competitive enzyme-linked "c-ELISA" test, or a department-approved equivalent test, with the test occurring within the 30 days preceding entry into Pennsylvania. The written laboratory test report, confirming compliance with the requirement described above, shall accompany the equine in transit to a destination within Pennsylvania and the date of test and results shall be written on the CVI.

## Fair Sire Stakes Conditions

The Sire Stakes fund encourages horsemen to breed and buy top-level stock in Pennsylvania. The fund offers a rich series of races for two- and three-year-olds that meet "Pennsylvania-eligible" conditions.

The fund is administered by the Bureau of Standardbred Horse Racing with guidance from the Standardbred Breeders Advisory Committee.

1. These events are subject to the authority of the Bureau of Standardbred Horse Racing and the applicable rule of the Pennsylvania Department of Agriculture.
2. Each competitor must have been sired by a registered stallion standing in Pennsylvania from February 15<sup>th</sup> through July 4<sup>th</sup> of the year of conception.
3. All races are to be one-mile dashes. Horses must show an acceptable line at a pari-mutuel track with timer, generated on or after May 25<sup>th</sup>, within the following time standards (including variant; no hmt allowance):
  - 2:10 for 2YO trotters
  - 2:06 for 2YO pacers
  - 2:08 for 3YO trotters
  - 2:04 for 3YO pacers

This line would qualify horses of either age to race the entire fair season, subject to the horse being put on a fair judges list or otherwise prohibited.

4. Charting will be done at several fair tracks throughout the season, but will be allowed only at tracks designated in this fair guide. If a horse does not meet qualifying standards, the horse must qualify at a pari-mutuel track during regularly-scheduled, multi-horse races.

If you would like charting to be done at another fair, it is up to you to pay and have the lines to do so.
5. All 2YO and 3YO fair starters must have two full days off between starts. Example: a horse raced on a Monday cannot race at a fair until Thursday.
6. It is the trainer's responsibility to enter only horses eligible to race. If a horse is entered and subsequently determined not eligible and thus scratched, the entry fee must still be paid. "Double entering" may result in fines.
7. Material in this book notwithstanding, the presiding judge, after consultation with the horsemen and fair management, has the final word on how many starters or trailers can be raced safely on a given fair track. If a race is split, a method of division from the Bureau of Standardbred Horse Racing Rules and Regulations will be adopted.
8. The presiding judge will meet with a designated horseman's representative and the race secretary before the day's first race to determine

a track variant, which will then be announced. The variant can be adjusted and re-announced during the day if weather changes necessitate.

9. All Sire Stakes events will be raced in separate colt and filly divisions.
10. Starting fees Group A: \$75 and Group B: \$50 will be payable to the host track and added to the purse. Nominating and sustaining payments are to be sent to the PA Sire Stakes.
11. The purse will be distributed as follows: 50-25-12-8-5 if five starters or more; 50-25-15-10 if four starters; 60-30-10 if three starters; 65-35 if two starters; and 100 in case of walkover.
12. The point system used towards determining championship horses will be 35-25-15-10-8-5-4-2, per the order of finish. A rain out will generate a horse 9 points. A horse who is an official starter but does not finish on his or her own accord will get zero points. Must have a minimum of five starts to be eligible for the championship.
13. Should circumstances prevent the racing of any event, purse monies will be pro-rated among owners of horses set to race in a division at the time of declaring off. Horses do not have to be on the grounds, but the entry fee must be paid before a check is released.
14. Any horse who is "double-entered" at any two tracks (including fair and pari-mutuel) and then scratched from a fair race will be liable for both the starting fee at both fairs if involved (\$50 each to the two) and a \$100 fine, both payable before the horse may start again at a fair.
15. A judge may put a horse on a "fair judges' list" for unsatisfactory performance, and will specify the number of days before the horse can go to a pari-mutuel track to attempt to requalify. The list will be made available from the commission office under normal circumstances, and all judges will have phone numbers and e-mails when possible for any judge who may have to draw before the commission office would reopen.
16. A functional starting gate is required to conduct fair racing.
17. In the event of inclement weather or track safety concerns, The State Horse Racing Commission assigned Judge will have final say on whether to race or cancel. This is done so after consulting with horseman, track crew and the starter.
18. An ambulance designated strictly for racing is required to be on site 10 minutes prior to the 1<sup>st</sup> post.

19. All horses must be on the grounds 90 minutes prior to their scheduled post time.
20. Random blood gas testing may take place at each fair event.

## PA Sire Stakes Fund (Fair Division)

These events are subject to the Rules and Regulations of The State Horse Racing Commission under the Bureau of Standardbred Horse Racing and the applicable rules of the Pennsylvania Department of Agriculture and USTA rules.

Each yearling must have been sired by a registered stallion standing in Pennsylvania the full season of service during which the dam was bred to produce such foal.

Each race is to be a one-mile dash. Horses must show a charted line on the declared gait on or after May 1<sup>st</sup> with no breaks in the following time standards (with time allowances). Each trainer is responsible for knowing the conditions of eligibility for their horses.

2-Year-Old Trot	2:10
2-Year-Old Pace	2:06
3-Year-Old Trot	2:08
3-Year-Old Pace	2:04

The Judge or designee shall decide if the field should be split for safety purposes. In the case of a split in the event, the association conducting same may divide the race by adopting one of the methods of division racing then current in the Pennsylvania State Horse Racing Commission Rules and Regulations.

All 2-year-old and 3-year-old races will be raced in separate colt and filly divisions.

\*New this year, Two Groups A & B

Group A purses: If 1 division \$7,500

If 2 divisions \$5,000 each division

If 3 or more divisions \$3,750/division

Group B guaranteed purse of \$2,500

All starting fees will be added to the purse and will be paid to the track conducting the event. All other payments to PA Sire Stakes Fund.

The purses will be distributed as follows:

- 50-25-12-8-5% if 5 starters or more;
- 50-25-15-10% if 4 starters;
- 60-30-10% if 3 starters;
- 65-35% if only 2 starters;
- 100% in case of walkover.

Should circumstances prevent the racing of any event, all monies available will be prorated among horses declared in for the uncontested event at the time of declaring off; horses do not have to be on the grounds, but the entry fee must be paid before a check is released.

Points are awarded based on order of finish, in this manner: 35 points for first, 25 points for second, 15 points for third, 10 points for fourth, 8 points for fifth, 5 points for sixth, 4 points for seventh, 2 points for eighth. A rain-out will generate a horse 9 points and count as a start. A horse who is an official starter but does not finish of his or her own accord will get zero points. Scratches receive no points. DNFs receive no points but are credited with a start. In the case of a dead-heat for finish position, the points for that position and the one(s) under it will be added and divided by the number of horses in the dead-heat. The points are to be used to determine eligibility for any championship races that may be offered in that particular year; qualifying standards for such Fair Championships shall be those of the host track.

- \* Only points earned in Group A are eligible for the Fair Finals.
- \* If you win 3 out of 4 starts In Group B you must move up to Group A.
- \* Finishing 1<sup>st</sup> or 2<sup>nd</sup> In Group A you must remain in Group A for 2 starts.

Payment Schedule (U.S. funds):

May 15	Yearling Nomination Fee	\$ 10
March 15	2-Year-Old First Sustaining Payment	\$ 50
May 15	2-Year-Old Second Sustaining Payment	\$ 75
May 15	3-Year-Old Sustaining Payment	\$ 150
	Starting Payment for Each Event Group A	\$ 75
	Starting Payment for Each Event Group B	\$ 50

Make check payable to and mail to:  
PA Sire Stakes  
Pennsylvania Horse Racing Commission  
2301 N Cameron St. Room 301 Harrisburg, PA 17110

# PENNSYLVANIA FAIR HARNESS RACING HISTORY

Pennsylvania's earliest organized horse racing took place at agricultural fairs during the early 1800's with Standardbred harness racing.

Standardbred horses were popular with farmers who trained and used them to pull carriages. Farmers would take their fastest horses to county fairs to compete in "speed trials". Speed trial time results were used to determine if a horse had good breeding stock, farmers would breed and sell these horses for a higher price. By the late 1800s, Pennsylvania had established Standardbred associations for agricultural fairs to regulate the races.

Each year from May through October, agricultural fairs take place in almost every county in our state. Today Pennsylvania has 110 County Fairs, 15 of which feature live harness racing. Visit a county fair with harness racing near you, see a part of Pennsylvania horse racing history!

**INDICATES FAIRS FEATURING HARNESS RACING**

Also: Boots Dunn Memorial Free-for-All Pace

Thursday, August 23: All 3YO Fair Sire Stakes  
Also: Boots Dunn Memorial Free-for-All Trot

Charting: Both race days

Special Notes: PLEASE READ THIS CAREFULLY. It is very important. The Fair will be hosting the Draft Horse Hitch Classic again this year. The event will be held on Tuesday evening, August 21. Race Horse Barn #1 (smaller barn) will be open and available to ship in beginning Saturday, August 18, through 12:00 p.m. on Tuesday, August 21. Beginning at 12:00 p.m. on Tuesday, the barn area, track, and infield will all be unavailable to us due to the draft show. There will be absolutely no stalls available in Race Horse Barn #2 until 9:00 a.m. Wednesday, August 22. No racehorses will be allowed to enter the fairgrounds on Wednesday morning until after 9:00 a.m. This will allow the large tractor-trailers that belong to the draft horse people to exit the grounds and be out of our way. If you arrive too early, you must wait outside the gate until the driveway is cleared. We pushed back post time until 11:30 a.m. This will allow plenty of time to unload your trailers. The new rules state that horses must be on the grounds 60 minutes before their post time. Please follow these instructions; it will allow things to go much smoother than they did last year.

Crawford County Fair  
2017 FFA Pace

## Indiana County Fair

Indiana County Fairgrounds  
700 Carter Ave.  
Indiana, PA 15701

Race Secretary: Mike Harant (610-874-5200 or 610-513-7957) \*Draw only

Assistant Race Secretary: John "Muck" McMullen

Assistant Secretary/Clerk: Michelle McMullen

Contact: 724-463-7000 (office) or 724-549-5328 (cell)

Box for Draw: All days drawn Sunday, August 26. Box closes at 10:00 a.m.

Post Time: 12:00 p.m. all days

Number of Starters on Gate: 5

Racing: Monday, August 27: all 2YO Fair Sire Stakes

Tuesday, August 28: all 3YO Fair Sire Stakes

Special Notes: No stall reservations, first come first served. All attempts will be made to ensure horses racing have a stall.

---

## Erie County Fair

Erie County Fairgrounds  
13993 Routes. 8 and 89  
Wattsburg, PA 16442

Race Secretary: Mike Harant (610-874-5200 or 610-513-7957) \*Draw only

Assistant Race Secretary: Rhiannon Crouch
