

August 2013

Announcement

The Pennsylvania Harness Horsemen's Association (PHHA) is currently calling for candidates interested in serving on the board of directors. Three positions are available in the trainer/driver category and one in the owner/breeder category.

These are unpaid, elected positions with a 4-year term. Deadline is August 30, 2013.

All prospective candidates must have been both active PHHA members and Pennsylvania residents for the previous three years. Pennsylvania residency shall be established by (a) valid Pennsylvania vehicle registration and Pennsylvania driver's license and (b) Pennsylvania state income tax return showing permanent domicile in Pennsylvania for the previous three years.

Please note: Pennsylvania law requires that board candidates must apply for the proper permit from the Pennsylvania Gaming Control Board (PGCB). All letters of intent for candidacy must be accompanied by a PGCB horsemen's permit application completed in full. Any prospective candidates failing to submit an application will not be eligible. Please also note that your permit must be granted in order to serve on the board. If you are elected to serve and your permit application is denied by the PGCB, you will be unable to serve.

A copy of the PGCB permit application and licensing fee schedule may be obtained by visiting the PGCB's licensure webpage (<http://gamingcontrolboard.pa.gov/?p=77>) and clicking on the download link for "Horseman's Organizations." In the event you are elected to serve on the board, you will be required to return three notarized copies for submission to the PGCB along with the \$350 application fee which is reimbursable upon issuance of permit and election to the board.

Interested candidates should send their completed gaming permit applications along with letters of intent via USPS registered mail, or UPS or FedEx delivery with delivery signature required to:
